Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Port of Moses Lake Infrastructure Development in fiscal year 2025. The entity to receive funding for this project is the Port of Moses Lake, located at 7810 Andrews ST NE, STE 200, Moses Lake, WA 98837.

The funding would be used to continue development of the Port of Moses Lake Infrastructure Development Project by constructing access to common areas surrounding Port of Moses Lake ramp access. Project elements include construction of aircraft taxilanes, vehicle access roads, and other site preparation.

The project is an appropriate use of taxpayer funds because the Port of Moses Lake is an aviation, manufacturing, and technology hub in Central Washington these funds will further the economic development of these efforts.

The project has a Federal nexus because the funding provided is for purposes authorized by U.S.C. 5305(a)(1), 5305(a)(2), and 5305(a)(4). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Dan Newhouse".
