Whereas there is no date dedicated to families affected by the loss of a loved one who died in service to the United States;

Whereas the members and veterans of the Armed Forces, through their service, bear the burden of protecting the freedom of the people of the United States;

Whereas a gold star lapel button is given to honor the next of kin for those who gave the last full measure of devotion;

Whereas among the Gold Star families are those whose loved ones are missing in action and are presumed dead;

Whereas the selfless example of the service of the members and veterans of the Armed Forces, as well as the sacrifices made by the families of those individuals, inspires all individuals in the United States to sacrifice and work diligently for the good of the United States; and
