Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Coulee Medical Center Rural Health Expansion project in Fiscal Year 2027. The entity to receive funding for this project is Coulee Medical Center, a Critical Access Hospital, located at 411 Fortuyn Rd, Grand Coulee, WA 99133. The funding would renovate and repurpose an existing facility to add patient care areas and expand access to primary and behavioral health services in rural north central Washington, a region where provider shortages and geographic isolation significantly limit access to routine and preventive healthcare. The project has a federal nexus because the funding provided is for the purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Dan Newhouse".
