Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$3,000,000 for the Roza Irrigation District Reregulation Reservoir Project in Fiscal Year 2027. The entity to receive funding for this project is the U.S. Bureau of Reclamation. The funding will be used to construct a reregulation reservoir to provide sufficient room to store excess water for use in irrigating crops.

The project is an appropriate use of taxpayer funds because it supports the conservation goals of the Yakima Basin Integrated Plan project. It will allow the irrigation district operators to run the main canal more efficiently and store unused water for times of drought.

The project has a federal nexus because the funding provided is for purposes authorized in Public Law 91-66. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Dan Newhouse".
